

## WHY VOLUNTEER?

Volunteering allows you to give back to your community and feel good about yourself in the process! It also gives a sense of purpose and community for those who partake, makes you happy, connects you with others, and can even help further your career.

Who wouldn't want to feel good and help out their community, while also benefiting themselves personally!

We've put together a list of some of the wonderful places and ways you can help out your community by volunteering.

### NEW CASTLE UNITED FOR YOUTH

		
Creating an interconnected community	Addressing challenges that our teens face	Promoting a safe environment
FOR NEW CASTLE YOUTH AND THEIR FAMILIES	DISCUSSING ALCOHOL AND DRUG PREVENTION	COLLABORATING WITH THE LARGER COMMUNITY

New Castle United for Youth is a community coalition which receives funding through a federal Drug Free Communities grant. NCUFY brings together all sectors of the New Castle community to promote positive and healthy choices by our youth including through youth and adult education about alcohol and other drugs. Working with our sector members, including the police, ambulance corps, schools, faith-based and other community organizations, NCUFY helps to sponsor positive events and activities which encourage and empower youth to make drug free choices. NCUFY also offers resources for parents seeking information on and how to talk with their children about topics such as vaping, safe celebrations, alcohol or marijuana use and impaired driving.
