

## 7:25-7:40 SCHOOL ARRIVAL TIME

Class starts at 7:45 so arrive with some time to walk to your class, <u>NOT</u> at 7:45

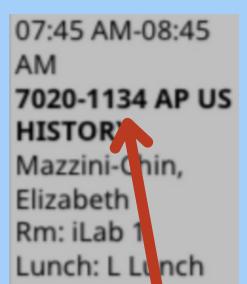

Before heading to class, most students go to either the cafeteria or library to catch up on work or hang out with their friends

There are breakfast options available in the cafeteria like cereal and muffins for students to purchase

## READING YOUR SCHEDULE

The COURSE NUMBER of a class is determined by the second to last digit of the 8-digit sequence on each class

It is good to know each course number in case of a **special schedule**, where classes are listed for everyone as course numbers. If there is a special schedule, it will be sent out via email before 7:45.

## END OF THE DAY!

If you are playing a sport after school head to the locker room near the gym to change. Make sure you have joined "SportsYou" for the sport you are a part of in order to receive information about where to meet and other events

Athletes usually put their equipment into the locker room in the morning before 7:45 so they don't need to carry it around all day

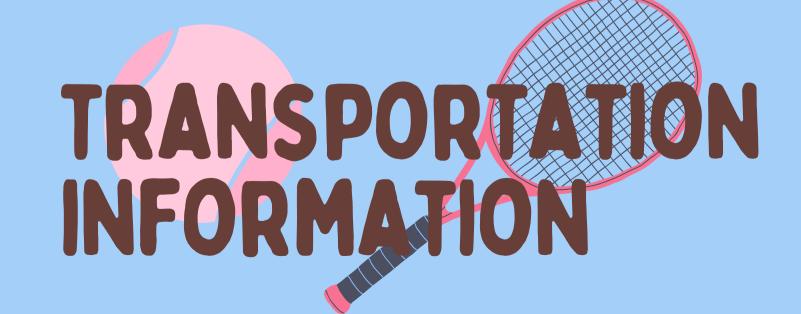

Traffic at Greeley can be unmatched. If riding the bus, just head straight to your bus after class. The drivers do not usually wait long due to traffic buildup, and leave at exactly at 2:40.

If you're planning to get picked up, tell your parent or guardian to meet you at Whole Foods just across the street to avoid getting stuck behind the busses. It will be a nice breezy walk!
